

TI-73 and TI-83 Download Instructions

Step 1:

Go here:

<http://education.ti.com/educationportal/downloadcenter/SoftwareDetail.do?website=US&appId=177> and click on the TI83 plus SDK link to download.

Step 2:

Click save and save it to where you would like on your computer. It is recommended that you save it to your desktop for easy access. The program will require you to restart your computer.

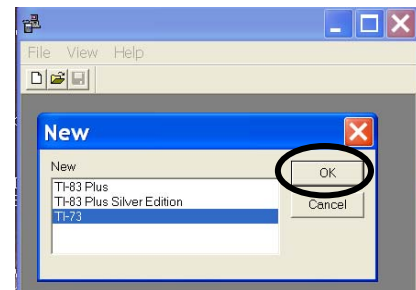

Step 3:

Go to where you saved the TI-83 Plus Flash Debugger and click on it. This image will appear. Click on the blank paper (new).

Step 4:

Click on TI-73 (or the one you prefer)
Then, click "OK"

Step 5:

This screen will appear. Click on the "play" button.
